in celebration of 50 years

2019 Annual Report

Kosciusko County
**COMMUNITY
FOUNDATION**

Where Donor Dreams Shine.

Dear Friend,

This 2018 annual report covers our 50th anniversary year, from July 1, 2018 – June 30, 2019. The Community Foundation began in 1968 as the Greater Warsaw Community Foundation with assets of \$871. Today, the Community Foundation holds 482 component funds totaling over \$62 Million and annually awards millions in charitable grants.

Over our 50 years, each donor who trusted us with a charitable dream brought a new ingredient. Each volunteer board member who lent us time and talent brought a new utensil. Each grantee offered us a kitchen in which to bake. Ingredients, utensils, kitchens...together we have made a beautiful and satisfying cake. Its layers include human services, health, civic projects, arts and culture, recreation, the environment and education. Our collective giving and serving has resulted in a healthier, stronger, more vibrant community.

Will you reflect with us in these pages on the many people and projects that have made our community strong? Will you pause with us and celebrate? Won't you have some cake?

Warmest Regards,

Sally M. Mahnken

ENDOWMENT CHALLENGE 50

Success!

What better way to celebrate past success than to help others secure their future? That idea sparked the Endowment Challenge 50 (EC50), launched last year to help youth serving organizations start or grow their endowment funds.

We selected ten youth serving organizations, from an application process, to participate in EC50. The organizations each committed to participating in trainings focused on sustainability and to raising \$10,000 in endowment funds. In return, the organizations received a \$40,000 match for a total of \$50,000 in endowment funds!

The matching dollars were made possible through the generous financial partnership of Dekko Foundation, Kosciusko County Community Foundation, the Ruth Lilly Philanthropic Foundation and the Dr. Dane & Mary Louise Miller Foundation.

All ten participating organizations successfully completed the challenge! CONGRATULATIONS to:

Utensils for Youth Development

The inset photo, taken in 1996, is of the first members of our youth philanthropy group, Kosciusko Endowment Youth Services (KEYS). Darren Parker is fourth from the right.

Darren joined the group as a junior at Tippecanoe Valley High School (TVHS). He recalls the group's first organizational meetings where they determined how they would recommend grants to strengthen education in Kosciusko County. They adopted a mission, grant procedures, and ultimately the name Kosciusko Endowment Youth Services.

"We were all driven to learn to collaborate with a group of people that we really didn't know all that well while learning to be unbiased in our feelings toward where the assets we had available to us were going to go. It was good to see how we could each contribute to the value of education to other schools throughout the county and not just see them as a rival."

Darren graduated from TVHS and from Grace College where he played on the men's golf team. He later earned a Transition to Teaching degree as well as a Master of Arts in Education from Bethel College. Darren taught Accounting, Computer Science and College/Career Prep at TVHS for 10 years while working part-time for his wife's family business, Splendor Boats. Eventually, as the family business grew, Darren joined the company full-time. However, he continues to coach. Darren spent 16 years as the assistant coach for TVHS football and now coaches 5th and 6th grade youth football. He also coaches the Tippecanoe Valley Middle School co-ed golf team.

"I believe my KEYS experience helped mold me into the way I collaborate with others today. I still take the same approach I learned back then. I like to listen first and consider a lot of perspectives... I don't micromanage others. Seeing someone run with their own ideas tends to keep them much more passionate about what they are working on than forcing them to do it your way."

Darren said he tries to instill in young athletes the traits of accountability, respect, ambition, gratitude, responsibility, integrity, selflessness and courage – not just when things are going well, but "especially when things are not going the way we had hoped."

The Community Foundation awards over \$500,000 in scholarships to area students annually. Dr. David Hoffert was one of those students in 1998. He is proof that with the right ingredients, educational dreams can be reached and can benefit the entire community.

Ingredients for Educational Leadership

In 1998, after receiving a Community Foundation scholarship to help him attend college, we received a thank you note from a young David Hoffert, who wrote, "I am looking forward to attending Anderson University so that I can become a teacher. Thank you for your willingness to invest in my future!"

After graduating from Anderson University, David Hoffert did become a teacher. He taught U.S. History and served as a track coach for Warsaw Community High School for seven years. He later earned a Master's degree from Olivet University and an Administration degree from Indiana Wesleyan University followed by an EdS and PhD from Indiana State University.

Dr. Hoffert's career path took him to Northfield Jr./Sr. High where he served as principal for two years before returning to Warsaw Community Schools (WCS) to serve as Assistant Superintendent and then Superintendent.

"Without the financial help and faith of our local community, I, like so many other students in our community, would not have been able to attend college and receive my degree," said Hoffert. "I will be forever grateful to the Kosciusko County Community Foundation for the faith and support they placed in me through their scholarships."

Dr. Hoffert points to his family, educators and coaches as contributors to his success and his ability to lead a thriving school corporation. "It is my privilege to pass that blessing forward to the next generation," he said.

WCS has been recognized on a state and national level for innovation in STEM, language immersion and career readiness training. However, Dr. Hoffert recognizes that "our education system needs to be focused on our students' future, not our past... the dreams of students and their specific needs are always advancing. The heart of our community is the glue that holds it all together."

Avis Gunter has served as a Community Foundation board member, County Deputy Assessor, Assessor and Commissioner.

In the Kitchen with Avis Gunter

Avis Gunter has lived on the same road in Claypool (two different houses) for 91 years. The youngest of four children, she grew up on her family's farm and attended first through twelfth grade at Claypool School. She recalls skating at the Silver Lake skating rink and working as a soda jerk at the Claypool Drug Store. It was at the drug store where she first noticed Everett "Red" Gunter, who sat at her counter upon return from his Army service. It was 1945, Avis' senior year of high school. Avis and Red were married 2 weeks after her high school graduation. They had two children, Hal and Ava.

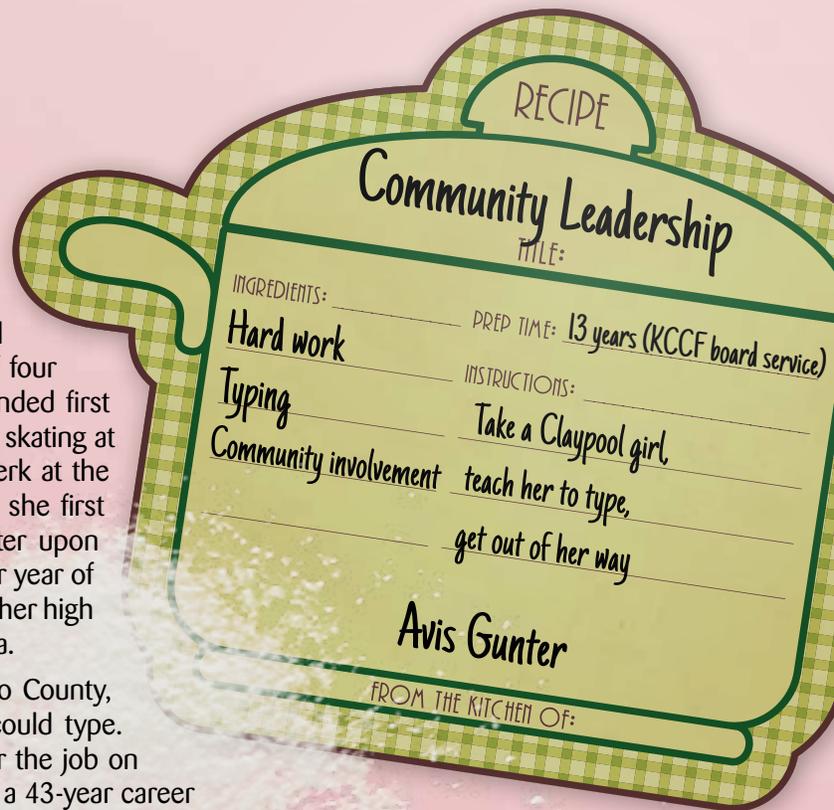

When a Deputy Assessor's job opened for Kosciusko County, the Assessor asked around to find someone who could type. Someone mentioned Avis' name. She interviewed for the job on a Friday and started the following Monday, beginning a 43-year career in county government. Avis served as Deputy Assessor for 10 years, Assessor for 21 years and Commissioner for 12 years.

In 1992, Community Foundation board member, Rex Reed, asked Avis to finish the term of a board member who was unable to complete his term. Avis finished that short term and two additional full terms, serving from 1992-2005. She served as President of the Board during her last term.

"It was wonderful working with Rex and Neal (Carlson)," said Avis, who noted that the highlights of her service included helping meet Lilly Endowment, Inc.'s first GIFT matching initiative and seeing the KEYS youth philanthropy group established. She is especially proud of how impactful scholarships have been in helping local students attend college.

When she was board president, she had a reputation for keeping to a tight meeting agenda. "I hate meetings that run over," said Avis. Perhaps, that is because she has so many things to do. She continues to help care for her great grandchildren. "I'm basically a taxi driver," she laughed.

Avis' advice to the Community Foundation's donors, volunteers and staff is, "Keep growing. Never forget where we started. It's all about doing what's best for the community."

Second Row: Morgan Ziebarth (LCA), Anna Gustafson (WCHS), Rahel Berelsman (Edgewood MS), Miriam Hagg (WCHS), Arika Warren (TVHS), Lauren Housel (WCHS), Zeke Keim (Wawasee HS), Ashaya Martinez (TVMS). Third Row: Elizabeth Kleopfer (Wawasee HS), Hannah Jansma (TVHS), Eli Demopoulos (WCHS), Landon Twombly (LCA), Jakob Jones (TVHS), Branson McBrier (TVHS), Jared Krugman (Wawasee HS), Zoe Taylor (Milford MS), Joshua Nakasone (LCA)

KEYS member, Nyla White, values the leadership and philanthropy skills she has learned.

Topping the Cake with KEYS

Nyla White, a junior at Wawasee High School, describes herself as funny, talkative and outgoing. She is a cheerleader, a member of the unified track team and involved in many school clubs. She is also a fourth year member of Kosciusko Endowment Youth Services (KEYS), our youth philanthropy group.

She's serving as co-facilitator this year, which means she helps lead the group of 8th-12th graders from four area school corporations as they practice philanthropy.

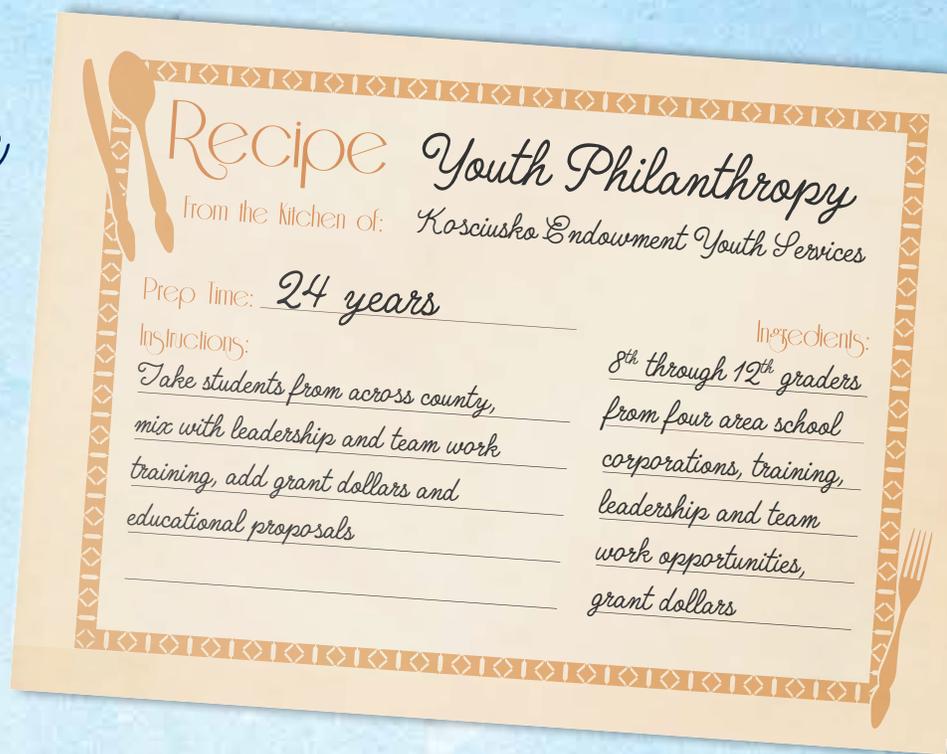

"I didn't even know what the word 'philanthropy' meant when I first joined KEYS," Nyla said. While she might not have known the word, Nyla was already engaged in philanthropy. In the 7th grade, Nyla and some friends helped fundraise to bring a professional gymnast who has no legs to Wawasee Schools to present a motivational message to students and the Wawasee community. School faculty recognized Nyla's leadership abilities and passion for helping others and appointed her to become a member of KEYS.

"I'll never forget getting called to Mrs. Fiscus' room at the end of 7th grade year. I was in a wheelchair because of an infection in my legs and I was feeling left out. I didn't have anything to put my time and talent to. When I found out I was selected for KEYS, I finally found something I was passionate about, which was helping others."

Nyla said that KEYS has taught her to balance her natural tendency to lead conversations with facilitation skills that bring quieter members of the group into discussions. She appreciates that bringing students together from other schools has broadened her perspective and helped her to understand people that are different from her. Together, the group recommends educational grants and Nyla believes the diverse experiences of those in the group helps KEYS be a better grantmaker.

"Twenty years from now, I know that I'll still be using the philanthropy and leadership skills KEYS has given me," Nyla said. "I'm proud of the impact we've made, but the relationships we've built are the most important thing to me."

KEYS was established in 1995 with the help of the Dekko Foundation, who has continued to support the activities and grantmaking of KEYS. KEYS has awarded more than \$451,000 in educational grants impacting Kosciusko County.

Enjoying the Cake with KC Senior Services

On Thursdays, 88-year-old Retired Tigers resident, June May, joins some of her friends on a Kosciusko Community Senior Services (KCSS) bus trip to Owen's grocery store on Center Street in Warsaw. It is a weekly trip that she appreciates now that the downtown Owen's grocery store, which had been within walking distance to Retired Tigers, is gone.

When the downtown Owen's store closed their doors in March 2019, many west side residents, including seniors living at Retired Tigers, lost easy access to fresh food. Recognizing the void left by the store's closing, KCSS began offering a weekly route to the Center Street grocery store, 1.8 miles away.

"Many of the clients we serve do not drive and some have limited mobility," said KCSS Executive Director, David Neff. It would be impossible for them to cross busy intersections and carry groceries nearly two miles, one-way, to get the items they need.

Upon arrival at the grocery store, June and her friends are greeted by their favorite store clerk, who is ready for them with coffee and cake or cookies. After shopping, they congregate around small tables enjoying coffee and conversation.

June has lived at Retired Tigers for ten years. She is quick-witted and ready to dish out advice, jokes and recollections of Warsaw's bygone days. She and her husband raised two children in Warsaw. June worked for years in Thomas' Dime Store (where La Troje restaurant is now located in downtown Warsaw). Since retiring, she enjoys crochet and genealogy. She was crowned Senior Prom Queen in 2014 by KCSS, complete with a tiara and sash.

KCSS regularly receives grant support from the Community Foundation to support Mobile Meals, the Senior Activity Center and transportation services, including a special grant in 2019 to help with expenses incurred as a result of the additional grocery store route to their weekly schedule. KCSS also provides a weekly trip to Walmart.

Having Their Cake & Eating It!

Donors Triple the Impact of Their Gifts!

A gift to Community/Unrestricted Funds helps us respond to changing needs, right here at home in Kosciusko County. Grants from Community/Unrestricted Funds help support programs that provide services and resources to low-income families, provide arts and cultural experiences, support victims of domestic violence, nonprofit child care programs, trails and recreational projects and so much more!

Right now, through Lilly Endowment Inc.'s Giving Indiana Funds for Tomorrow (GIFT VII) initiative, every dollar given to Community/Unrestricted Funds will be matched 2:1, up to \$500,000 – putting a total of \$1.5 million to work in our community! The deadline for us to reach this goal is December 31, 2020. Funds will be matched on a first given, first matched basis.

These generous donors have already had their investment in the community tripled!
